F. AGENDA ITEMS

 A. ***Commissioners to discuss the "Historic Preservation Fund Pass-through Grant Application.***

  Commissioners began with an agreement to move forward and apply for the Grant funds available. Next step would be to select what category we want to use the funds for. After much discussion, it was decided that Margaret would confirm with Eric Vondy to see if "Nomination Update" or "Survey and Inventory" would be better suited category in refreshing our Historic Downtown photos register. This has not been updated for years and we have so many new items in our downtown that we could include. Commissioner Dunn asked if we are to ask Council for approval since the City may need to match the funds, it was agreed that Council will be approached once category and application is submitted.

  Commissioner Hangan will update us on her conversation with Eric Vondy prior to our Special Meeting on 6/28 at 10:00am. This subject will also be on the Agenda for that meeting.

  Commissioners also agreed that having Work Sessions seem more productive and that we should continue with Work Session after our normal scheduled HPC meetings. This will allow for the Commissioners to come up with ideas and focus on how to communicate the process of the Historic Preservation to our community, especially our local businesses in the main historic zone on the regulations when restoring, painting the historic buildings.
