*Doug Delang was available to discuss the sign if the Commissioners had any questions. Commissioner Holst stated that the sign request that is to be placed on the side of the building has too much information and can be considered as a menu sign, since they are requesting a business sign, Commissioner Holst made a motion to accept the sign with the stipulation that the menu section of the sign would be removed, and that the sign would remain in the same dimensions. Mr. Delang stated he had no objections to this request.*
